|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|
| Microdermabrasion | \$50/6 for \$250 (buy 5 get 1 free) |
| Our diamond tip microdermabrasion system effectively removes dead skin cells from the surface of the skin. In just one application, the skin has a better ability to absorb nutrients from treatment products. A series of 3 or 6 treatments, depending on the condition of the skin, can visibly improve wrinkles, acne scars, pigmentation and texture. The microdermabrasion application is followed by a soothing additive-rich facial. | |
| Ayur Medic Pumpkin Enzyme Peel | \$50 |
| This gentle enzyme peel caters to all skin types. High in antioxidants which help soften the skin and remove dead skin cells without irritation. Facilitates better penetration of creams and serums. | |
| Ayur Medic Papaya Enzyme Peel | \$50 |
| This effective enzyme peel helps clear impurities, lightens hyperpigmentation, regenerates and softens the skin. Recommended for oily skin, acne prone skin and hyperpigmentation. | |
| Ayur Medic Lactic Peel | \$50/6 for \$250 (buy 5 get 1 free) |
| A 30% Lactic Acid peel formulated for resurfacing dry to sensitive skin. Improves the appearance of fine lines, wrinkles, and uneven tone. Treatments can be done bi-monthly in a series of 8-10 sessions then decreased to monthly for maintenance. | |
| BODY | |
| Dermalogica Back Treatment | \$40 |
| A relaxing back treatment that detoxifies and improves skin tone and texture. A Dead Sea scrub is used to exfoliate followed by a Hungarian Mud mask rich in essential minerals and collagen for deep rejuvenation. | |
