Enrollment Related Information

Program: Cosmetology

- # Began Year: Determine the number of students who were enrolled in this program as of January 1, 2023. Please note this number is not used in any of NACCAS' outcome rate calculations. It is instead intended as an approximate indicator of the institution's size. 53
- 2023 Year Starts: Determine the number of students who started their training in this program between January 1, 2023 and December 31, 2023 (dates inclusive). Please note this number is not used in any of NACCAS' outcome rate calculations. It is instead intended as an approximate indicator of the institution's size. (If a student started more than once, count as one start) 63
- 2023-2024 Starts: Determine the number of students who started their training in this program between September 1, 2023 and August 31, 2024 (start and end dates inclusive). Please note this number is not used in any of NACCAS' outcomes calculations. It is instead intended to measure the institution's enrollment over the twelve months preceding the launch of the 2023 (data) Annual Report. 70
- Item 1: Count the number of students listed on your annual report cohort grid. This is the number of students scheduled to graduate in 2023. 74
- Item 2: Count the number of students on your annual report cohort grid who are marked with a "Y" in the 4th column. This is the number of students from Item 1 who graduated from the program by November 30, 2024. 70
- Item 3: Count the number of graduates on your annual report cohort grid who are marked with an "E" in the 8th column. This is the number of graduates from Item 2 who are eligible for employment. 60
- Item 4: Count the number of graduates on your annual report cohort grid who are marked with a "Y" in the 9th column. This is the number of graduates from Item 3 who are working in a field for which their training prepared them by November 30, 2024. 49
- Item 5: Count the number of graduates on your annual report cohort grid who are marked with a "Y" in the 6th column. This is the number of graduates from Item 2 who sat for all portions of their required licensure exam by November 30, 2024. 64
- Item 6: Count the number of graduates on your annual report cohort grid who are marked with a "Y" in the 7th column. This is the number of graduates from Item 5 who passed all portions of their required licensure exam by November 30, 2024. 60
- Item 7: Determine the length (in calendar weeks) of the longest version of this program that you taught in 2023or 2024, as published by your institution. For example, if your institution taught a 50-week full-time cosmetology course and a 75-week part-time cosmetology course, then your institution would enter "75" in Item 7 of your cosmetology program's annual report worksheet. It is critical that the length of your longest program is entered accurately.
